

Relay

Starting Relay **High Performance** (silver plate contact)

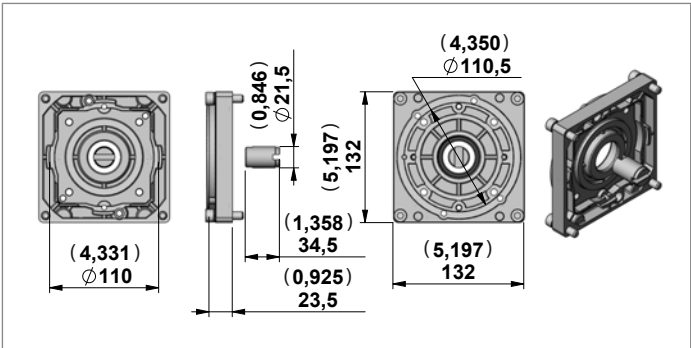

Code	Voltage (V)	Nominal Current (A)	Short time Current (A)	Protection INDEX	UL Certified	Type	Material Number
A	Without Relay						
E	24	150	350	IP54	NO	C165525000	R932000691

Kit Motor + Relay

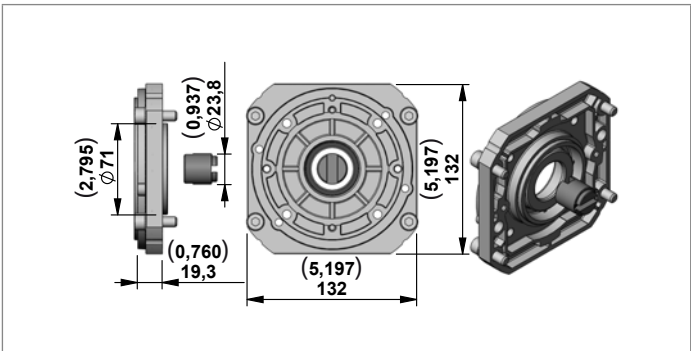

Motor + Relay	Type	Material Number
C151+relay 24V HIGH performance	K396824151E	R932002800
C140+relay 24V HIGH performance	K396824140E	R932002788

Junction Elements for D.C. Electric Motor
Standard Flange

Junction Elements for manifolds **KE** and **KS** series

Code	Series	Type	Material Number
TR54	KE - KS	K01KE970TR054	R932001904

Junction Elements for manifolds **K** series

Code	Series	Type	Material Number
E62	K	K01K3970TR107	R932001936
